I. PURPOSE

The purpose of this notice is to clarify the policy of the Center for Veterinary Biologics (CVB) regarding the proper identification of electronic storage media (e.g., floppy disks, CD-ROMs) that are submitted to CVB.

II. POLICY

A. Affix a label to, or write directly on (as appropriate), the storage media and any packaging (protective envelopes or cases).

B. Identify each component with the following:

1. Establishment Number
2. Applicable Product Code(s)
3. Title of Report(s)
4. Date of Submission

Compliance with this policy ensures that electronic media that become separated from the remainder of the submission can be returned to the appropriate file. Failure to comply with these guidelines may result in processing delays. The CVB may return improperly labeled submissions unprocessed.
